Dear Nathalie and Liliana-

As we discussed this morning, attached are the cards/contact info for the main venues under consideration for the 2018 Council Session to be hosted by EPA Administrator Pruitt. I am e-introducing you to Keith and Taylor, who were our main contacts and set up and hosted the EPA team's scoping visit. Keith is with the OKC Convention Bureau and Taylor is with the Norman Bureau.

Keith and Taylor—Nathalie and Liliana are with our CEC Secretariat and plan to visit in early December as we mentioned during our visit with you. Nathalie and Liliana do more detailed facility scoping and by the time they visit I hope to have narrower direction on potential venues from our Administrator's team. Taylor—I'll be talking to Patrick and Brandt at OKC more to flesh out our ideas for the Weather Center and Lab before Nathalie and Liliana visit.

Best Regards,

*Luis Troche*
